

Apple Mac Mini Security Clamp

PRODUCT CODE 7661

WEIGHT grams	WARRANTY (RTB)
300	1 YRS

FEATURES

Secure style - the colour coded clamp perfectly fits the Mac Mini.

The plastic coating delivers longevity.

Seriously strong - made using 4mm hardened steel.

Smart design - including cable routing and protection of RAM chips.

Tethering - the clamp can be tethered using high security cabling (sold separately).

Clicksafe Lock - the clamp uses a high-quality Kensington lock that compliments the design of the Apple unit and offers fantastic security.

Cable enabled - all ports and connections remain clear and easily accessible with the clamp in place.

SPECIFICATION

Dimensions - W 230 x H 210 x D 48 mm

Warranty - 1 year return to base warranty

CELEBRATING
26 YEARS
 1996-2022

Small form factor security clamp for Apple Mac Mini computer which enables the user to secure the Mac Mini to a desktop or may be used to integrate a Mac Mini with existing IT/AV hardware. Coloured silver to compliment the Mac mini colour.

Protects the easily removable RAM when situated underneath the Mac Mini and requires no specialist tools to remove. Traps mouse and keyboard cables for added security if required.

OTHER ACCESSORIES

The Apple Mac Mini Security Clamp is part of a wider range of accessories for popular mobile devices, media players, cameras and micro computers, such as the Solstice media player, Intel NUC and other Apple products.
