## FEATURES

**Charge compartment** - separate rear lockable charging compartment keeps fingers away from cables. Two door access, one either side, for ease of installation.

**Reliable lock** - quality ASSA Abloy locks are fitted as standard peace of mind.

**Heat control** - the design of the unit includes built-in ventilation, allowing air to circulate even with the doors closed, preventing damage to the tablets.

**Safe and secure** - the unit is securely attached into the infrastructure of the building using 10mm bolts.

**Quick key less access** - (optional) 10 digit keypad lock.

Wall or desk mounted, this is the highest security option for storing small numbers of tablets.

Security includes an all welded steel construction with full-length piano hinges to the door and a ASSA Abloy lock on the door itself.

The smart design features natural ventilation designed into the structure of the case, preventing heat build up inside the unit without the need for power hungry fans.

The perfect charge! Integrated USB Sync & Charge uses your own USB charging cables, allowing for quick and easy upgrades in the future.
